

# Water Wise Program

## Voluntary Water Conservation Good Faith Agreement between the City of Round Rock and

---

(Enter Business Name)

WHEREAS the above business is a proud member of the Round Rock community and has a strong desire to help the City of Round Rock conserve water, one of our most precious resources.

WHEREAS the above business believes voluntary water conservation is the key to keeping water rates in check in the future.

WHEREAS the above business believes following the Central Texas Water Wise guidelines is good for the community and good for its bottom line.

WHEREAS the above business is committed to providing positive community leadership by following water conservation guidelines embraced by the City of Round Rock and the Central Texas Water Wise Coalition.

The business above voluntarily agrees to follow the conservation guidelines attached.

**IN RETURN, the City of Round Rock will proudly proclaim the above business as one of its Water Wise Partners and will publicize participation of the above business in the City's voluntary water conservation efforts at the end of the summer in the City's Take 5 television segment, in the City Beat newspaper column as well as on the website. The City of Round Rock will also provide the above business with a sign proclaiming it a Water Wise Partner to display on company property.**
